Greetings for the New Year

Firstly belated greetings for Christmas and the New Year.

Apologies for the tardiness of the News Letters last year, it was a bit of a trying year for the editor and we will do better this year.

Autumn Meal

The Autumn Meal was held at the White Lion at 7.30pm on Tuesday 15th November 2005 with a Quiz between courses.

The meal was well attended and the food was excellent. The quiz was a new idea and added to everyone's enjoyment. The downside was that the quiz was won by a team, who happened to be sharing the venue (however being as generous as ever we decided the prize would go to Twinning Members only).

Thanks to John Petrie for organising the Quiz, to Maggie Miller for organising the event and to all those who contributed raffle prizes.

AGM & Skittles - Tuesday 24th January 2006

The event will take the usual format. The AGM will be held first and be followed by food and skittles. The Venue is the Cricklade Bowls club, which is adjacent to the Fire Station. The evening starts at 7.30pm

We will be re-electing the officers of the Association and we are always looking for new blood. If you are interested in joining the Committee, please let us know on or before the night.

The AGM is followed by food - this year we will be serving a warming Chilli (warming but no too hot!!). Drinks will be available from the bar throughout the evening. Following the food we will be running a Skittles Killer Competition - a fun event, which allows everyone to show off their skills or lack of them.

Tickets for the AGM are available from John Coole 01793-751393 at £5.00.

The 2006 Sucé Twinning Visit

The visit is scheduled for the weekend of 6th May 2006.

The arrangements are still tentative and we hope to confirm with the French very soon. If you are interested in hosting a French family please let us know. Non-members are welcome to act as hosts.

As soon as the itinerary is firmed up, we will publish the planned events - at the moment we expect our French friends to be with us on the Saturday and Sunday returning to France on Monday possibly by way of a visit to London.

Hosting visitors from France is a lot of fun - you don't need to speak French. You merely have to act as a host for an individual, a couple or a family. There will be organised activities, so you don't have to fill the entire weekend yourselves. Most people who host end up making lasting friends.
