Barn Dance Friday 20th November 2009

The Barn Dances have been so well enjoyed, that we thought we ought to do it again. We will be employing the same caller who has entertained us so well on previous occasions.

The venue is Cricklade Town Hall starting at 7.30pm.

Food will be served during the evening, but please bring your own liquid refreshments and glasses.

Tickets for the evening will cost £10.00 and include. You can get tickets from C&R Grocers on the High Street or if that is not possible, you can call Yvonne Keeble on 01793-751963

Safari Supper Saturday 10th October

The Safari supper was a success as usual, everyone one enjoyed themselves.

Thanks to all those who brought desserts and to those who polished them off with relish.

A big thank you to Celia & Ian Binfield for organising (Celia) and hosting (Ian) the event.

A big thank you also to those who prepared and served the Starters and Mains and to everyone else for not getting too lost en route.

Numbers were down a bit due to unlucky timing, we would have been even further down if Celia hadn't realised that she hadn't allocated herself to a table.

AGM - 2010

Put Monday 25th January in your dairies for the AGM, which will be in the usual format, talk then food and skittles. We hope to be in the usual place, but we still have to ask, so more on that later.

Twinning Visit 2010

The French are visiting Cricklade in 2010 for what is the 20th Anniversary of the first exchange visit under the Twinning Charter agreed between the two towns.

The 2010 visit to Cricklade will take place over the weekend of 19 to 20th June to coincide with the Cricklade Festival.

The precise details of the trip have yet to be finalised, but we have already started planning the formal parts of their visits (formal may be overstating it – these are the disorganised events arranged by the Committee which surprising turn out alright on the night). We will share these with you as we complete precise arrangements and so as to keep them secret from our colleagues across the water.

What we do need is hosts, so if anyone knows of anyone who is interested or of course is interested themselves, please let us know. It will be a while before we know how many visitors we will have, but let's make sure we are prepared.
